1. We will be taking short breaks throughout the day. Please bring a warm coat, as some of the breaks will include walking outside utilizing the new communication skills we will be discussing.
2. Please bring your lunch, snacks and water that you may need.
3. Paper and pens
4. The last topic of the workshop will be "playtime". We will be playing a "Gift Game". So each couple needs to bring two wrapped gifts, one for a woman and one for a man. You decide on the price. My suggestion would be from \$10-\$15 per gift. Be creative with your wrapping. It creates more fun with the game. As an example, if you bought a beautiful letter opener, find a large box to wrap it in. Create more surprises with how you box the gifts you are bringing.
